DR. STEWART SET TO RETIRE

In November, East Central Community College President Dr. Billy Stewart announced his retirement effective July 1, 2020.

Stewart was announced as the college's eighth president on March 22, 2012. At East Central, he initiated a strategic planning process to shape and guide the future of the institution. As a result, ***2020 Vision*** was adopted in February 2013 and included a long-term desire to be nationally recognized and locally preferred while meeting the educational and training needs of all residents of the college district.

Dr. Stewart presents Randy Cleveland with his Alumnus of the Year award during Homecoming.

Dr. Stewart helps Jlann Broadfoot find his way on the first day of classes.

Dr. Stewart speaks at the Military Appreciation Breakfast.

Dr Stewart speaks at the dedication of the new Diesel Equipment Technology facility.

Dr. Stewart with wife Stephanie, mother Linda Stewart, sister Angie McWilliams, and brother-in-law Gregg McWilliams.

In his letter informing the Board of Trustees of his intention to retire, Dr. Stewart wrote:

"The greatest professional honor of my 30-year career in education has been serving as the eighth president of East Central Community College. Since July 1, 2012, it has been a privilege to lead this institution steeped in a tradition of instructional excellence. As a result of the ***2020 Vision*** *The Lord gave our institution in February of 2013, the foundation that was laid by all of those who came before, and the tireless work of the entire College family since that time, we have achieved remarkable results as an institution.*

"Stephanie and I prayed earnestly for The Lord's direction in this matter. God has led me and my family every step of our journey, and this is certainly no different. During this time of prayer and contemplation, I was led to Ecclesiastes 3:1: 'For everything there is a season, and a time for every purpose under heaven.' I am convinced that this verse is true and I am at peace that my season as President here at ECCC will come to a close after eight years of service.

"The thing that I will remember most about my time here at ECCC are the lives that I have personally seen changed. Students who felt called to come to East Central and left here changed, not only academically, but also socially, emotionally, physically, and, most importantly, spiritually. That is what I will remember most.

"May God richly bless each of you in all your future endeavors."

MICHELLE LEE

SOCIOLOGY INSTRUCTOR

Sociology Instructor Michelle Lee began working at ECCC in 2013. She calls Maine her home, but has lived numerous places because of being in a military family. Mrs. Lee has several connections to ECCC including teaching and attending school here.

"My favorite memory while teaching here would have to be after I was diagnosed with cancer in 2016. Members of the softball team stayed after class one day and asked if they could pray for me. They circled around, laid hands on me, and lifted me to the Lord Jesus right there."

Outside of work, Mrs. Lee loves to spend time with "her honey" (Dr. Randall Lee) and their three grandchildren, Henry, Levi, and Stella. She, along with Dr. Lee, are also very active in the Gideons and with their church family at Beulah Baptist.

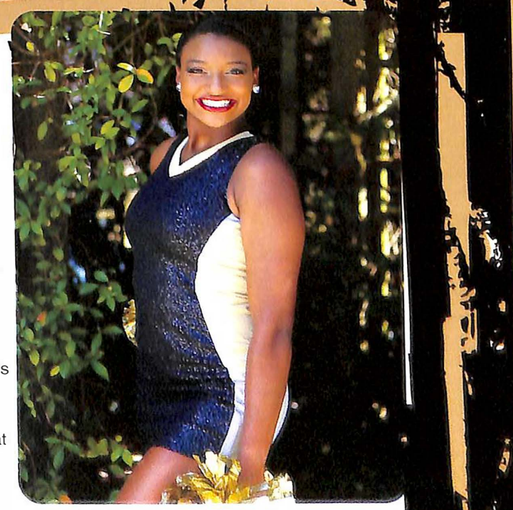
JASMIN BROOKS

COLLINSVILLE, MS - PRE-NURSING - FRESHMAN



Jasmin Brooks, a Pre-Nursing major from Collinsville, serves as Freshman Class secretary and is a member of Sigma Sigma Mu Tau, Warrior Corps, and is a Centrallette.

"One reason I chose EC was because of the campus size and smaller classes. I knew that by being in a smaller class I would have a better learning experience. It allows me to be engaged and have a good connection with my teacher."

Jasmin's favorite thing about EC is that the faculty want to see students succeed and are willing to help during any situation.

Her favorite memory at EC was freshman Centralette initiation day when she had to dress as "DJ Suki" for the entire day and even wear that outfit to an interview

STUDENT BODY ASSOCIATION

STUDENT BODY ASSOCIATION PRESIDENT

MATTHEW RILEY

Transitioning to East Central was a different avenue for me. In high school I was not the most involved student on campus. Coming to East Central I decided I should change and become more socially active and display the leadership qualities I possess.

As a freshman I ran for President of the freshman class. I was elected, and that became one of the greatest decisions I have ever made. At the end of my freshman year, election time reoccurred and I decided to run for president of the Student Body. Becoming freshman president gave me the confidence and courage to win the election.

I have had such fun experiences with the Student Body Association members and sponsors. Some of my best friends have come from this organization. Representing East Central and the Student Body has developed me as a leader and has placed me in many other leadership roles.

I am truly blessed to be a part of this institution, and it has been my pleasure to serve as Student Body President.

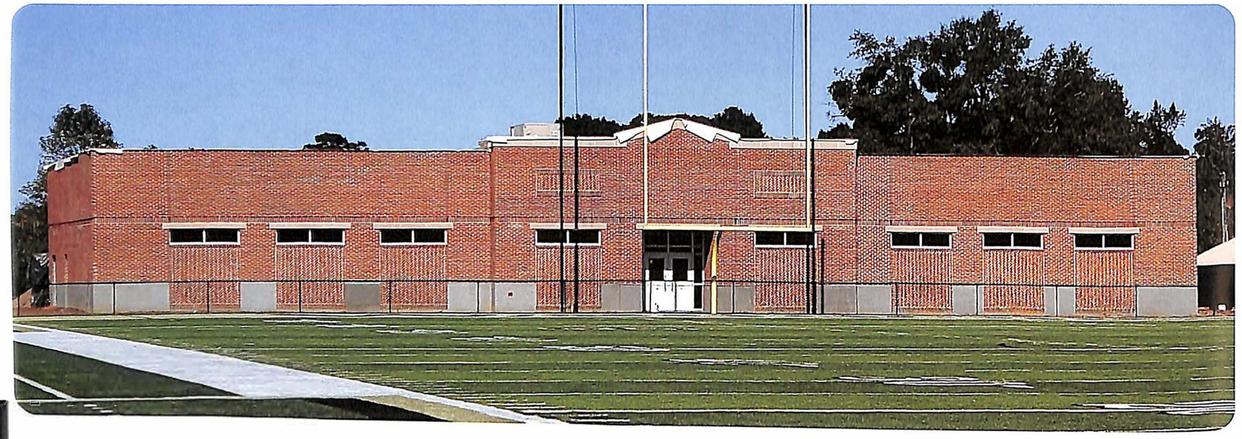
WARRIOR HALL OPENS



East Central Community College officially opened its new Warrior Hall football operations center with a ribbon cutting ceremony March 5.

The 12,300-square-foot facility is located just outside the north end zone of Warrior Field at Bailey Stadium.

Dozens of current and former Warrior football players; individuals, families, and organizations that made contributions to the facility; and members of the campus and local communities gathered for the event and tours of the new building.

The ceremony included remarks by ECCC President Dr. Billy Stewart, Board Chairman Dr. Jimmy Hollingsworth, Head Football Coach Ken Karcher, and Director of Athletics Paul Nixon in the Thomas E. Hannah and Ray E. Hannah Team Meeting Room, followed by the ribbon cutting and self-guided tours. Freshman kicking specialist Robens Beauplan gave the invocation. A product of Riverdale High School in Lehigh Acres, Fla., Beauplan was an MACJC All-State punter and kicker and NJCAA All-American punter last season.

Cutting the ribbon to officially open the new Warrior Hall football operations center were (from left) Director of Athletics Paul Nixon, Warrior football player Robens Beauplan, President Dr. Billy Stewart, Head Football Coach Ken Karcher, Board of Trustees Chairman Dr. Jimmy Hollingsworth, and Vice President for Student Services Dr. Randall Lee.

Warrior Hall contains locker rooms for players and for coaches, a team meeting room, position conference rooms, coaches' offices, an equipment room, a players' lounge, and a laundry room. It also houses a state-of-the-art training room with hydrotherapy pool to be used by student-athletes in all nine varsity sports at the college.

"This afternoon we celebrate the completion and official opening of the college's newest facility, Warrior Hall," said Stewart. "Today marks a special day in the history of our institution as we celebrate progress on our 2020 Vision strategic plan. Not only does this facility represent progress, it represents what the EC Way—Excellence with Class—is all about. This is a facility we can all be proud of. I pray it will catch the eye of many potential student-athletes whose lives will be eternally changed because of the time spent here at East Central."

Stewart also thanked those that made financial and other contributions to the new building.

"Completion of Warrior Hall would not have been possible without the generosity of so many people in the Warrior Family," said Stewart. "Contributions to this project represent the largest amount of private donations to a construction project in the history of our college. We are very proud of that."

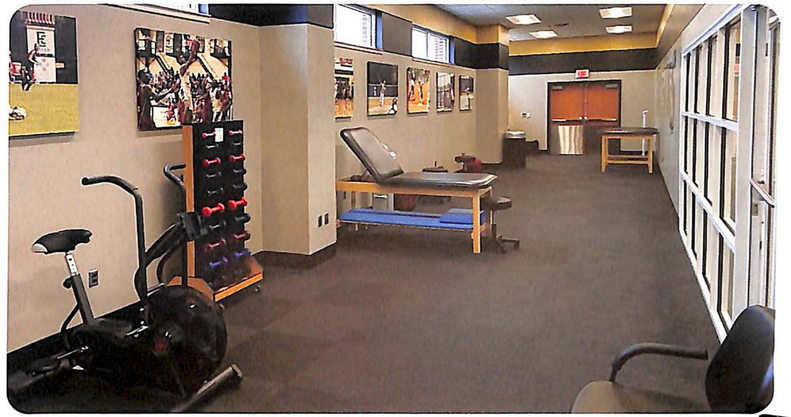
Offices, conference rooms, meeting rooms, the Hall of Champions, the locker room and individual lockers, the equipment room, the training room, the hydrotherapy pool, the coaches' locker room, and the main team meeting room and the chairs in that room were among the items in Warrior Hall sponsored by donors.

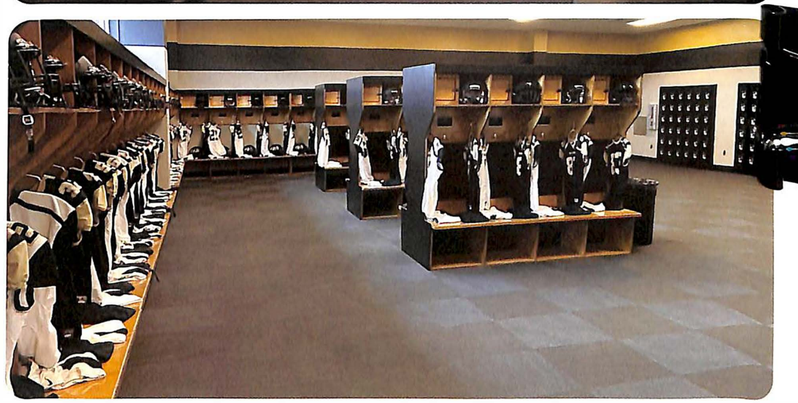
Karcher told those gathered that Warrior Hall will help the East Central football program attract and prepare young men for life outside of football.

"Seven years ago, Dr. Stewart and Chris Harris [retired director of athletics] gave me the opportunity to become the head football coach at East Central Community College and to be a part of the 2020 Vision," Karcher said. "Together, we committed to building a first-class, well-respected, and highly-competition football program. Over the past seven years, the Warrior football story has touched many lives on and off the field.

"I want you to know as your head football coach that the investment that you have made in Warrior Hall will help us take our next steps in attracting and preparing young men to impact the world."

The architect for Warrior Hall was Eley Guild Hardy Architects of Biloxi. The contractor was J&J Contractors Inc. of Collinsville.





Team Brazil won the Intramural Soccer Championship game. Team members include (front row, from left) Hugo Chagas, Raphael Salles, and George Mota; (back row, from left) Madison Diers, Maggie Wooldridge, Mackenzie Alford, and Susie Stevison.
